

Empowerment™ Coaching 360° Referral Program

The 360° Referral Program provides you with an opportunity to introduce personal coaching to your colleagues and friends while giving back to the community.

Coaching is an investment in personal responsibility, nourishment and growth and is quickly becoming an important tool for individuals and corporations. The faith you place in a personal referral is a serious compliment to me as it endorses your belief that I am on the correct path. When given the opportunity to work with an individual, it is an honor to witness and encourage their journey.

Requirements

Referrals must meet the following criteria:

- The lead must be closed with a signed commitment contract
- The lead must commit to a minimum three month coaching period

Donation Commitment

Once Empowerment™ Coaching receives payment from the client, the referrer will be requested to designate his or her preferred charity and 10% of the total contract amount will be donated in their name.

I thank you in advance for your support and belief in the empowerment process!
